You will be giving your consent that any pictures and/or video taken may be published and/or distributed by Grace Lutheran Church (i.e. Facebook, website, promotional materials) by attending these events. Communion Choice: White grape juice is available for you to choose during communion. The white grape juice is in small communion cups in a silver tray on a table located at the right front row of chairs near the altar. As you approach the altar you may take a glass from the tray with you to the altar. When the chalice is brought to you, you drink the cup of grape juice. Empty cups may be returned to the empty side of the tray.

Coat Drive~ 2018
I recently read, "Warmth shouldn't be a luxury".
This year we exceeded all expectations for our Coat Drive. There were 31 wonderful volunteers from six local churches, 185 children from 50 families, 250 coats donated this year and $500.00 donated for purchasing additional coats.
We had many challenges this year because of the sizes of the coats needed by the families. In fact, since we were not the only group collecting coats, it became a real challenge to find the specific coat sizes we needed. We heard from a local clothing store that they had another group purchase 900 coats right before we were buying our coats. In spite of the hardships we encountered, we were able to take care of 185 children who, because of all of your efforts, won't be cold this winter.
Thank you for all of your donations and upon finding we were in need of specific sizes or genders, many of you went out shopping again for these children.
Thank you all for your sharing of your time, talents and treasures, without all of you this community project wouldn't exist. Times are tough for many and through your generosity, we helped ease some of the load in many families.
God Bless You All, The H3C

All Saints Sunday: Today, we will remember all those who have died in the faith and have entered The Church Triumphant. We will especially remember our members and those people and their families who received pastoral care since last All Saints Sunday, including:

Thomas J. Young	Margaret Weaver
Gerald R. "Jerry" Kratz	Michael E. Renner
June C. Sarm	Jacob P. Bregler

Please come as we remember their full claim of the Baptismal covenant offered to us all.

All Saints Sunday Cemetery Visit: Today our Sunday School families and all other interested members are invited to come with Pastor to our church cemetery at 9:15 am. We will talk about those in our congregation and community who have gone before us, and do some crayon rubbings of the gravestones to display.

IMPLICIT BIAS WORKSHOP DEALING WITH RACIAL BIAS
Advent Lutheran Church, Harleysville
Today from 1:00 to 2:30pm, the congregations of our cluster are invited to take part in a study of anti-bias training. The truth is that all of us have views and judgements we are aware of as well as subconscious ones that we may not realize…in all sorts of issues. Implicit bias is the subconscious stuff.

Everyone who comes to the workshop today, will be invited on a journey, taking an 8-module (8 week) online course that will measure our biases regarding race at the start and end – totally confidentially, a "blind study" – as it works to change them in a positive way. This course is just being developed, so we will be the pilot program. Although it is planned for large businesses and agencies (with big budgets), and developed by a group of psychologists using cognitive behavioral training to examine and challenge African American stereotypes. They will be testing to see the impact on implicit bias. The training course will be delivered in an eight-week, online format. Each of the modules will be approximately an hour long, and we will have access to one module each week. The modules are designed so that they do not need to be completed in one session, but can be done in sections at the convenience of the participants. The first and last sessions will be pre and post-course assessments of implicit and explicit bias.

Our primary contact is John Lamberth, PhD who is a social psychologist, retired chair of the psychology department at Temple, and a consultant to law enforcement agencies on racial profiling. His organization, beyond BIAS LLC, has developed the training. There will be an initial face-to-face meeting today. There will also be a debriefing meeting scheduled some time in early to mid-January, at the conclusion of the course.

This entire process will be conducted by the study team, and not the congregations involved.

Bible Study: There will be one Bible Study class on November 7th at 11 a.m.

Veterans' Day: During the 9:15 Sunday School hour on November 11, anyone interested, can help create a care package to send to someone in active military service. Please consider sharing the name and information of any service member who would enjoy getting a package with an INreach team member or email: *macdonald125@comcast.net*.
