Music – Ken

Items from Council –
 Busy Bags were completed. Thanks Jaime
 Pastor Janet Peterman joins us on February 18th

Sunday Church Bulletin –
 Print more bulletins on those Sunday when we may expect more people.
 Did not have enough bulletins on Jan. 27 and Feb 10

Serving schedule for 2019 – Kathy
 Completed. Ongoing changes will be managed by Kathie and Kathy.

Kay - Other items

- **Baptismal Banner** – create a new one that fits the space. Joan Amundsen is working on this banner name of the child or person being baptized to be displayed.
 NOTE: this banner is on hold while Joan is healing.
- **Plant watering** – Kay and Mary Catherine will do this until someone can be found to do this weekly. Notes were placed in both Grace Notes and Parish News.
- Rich and Emily suggested a wooden Nativity scene for the front and back of the church. Would have to put a spot light on it. It was suggested we look around this season and maybe buy one or two after the holiday when on sale.

Coffee Hour – Lori – Emily suggested we put together guidelines for coffee hour food and post in the kitchen. Emily will chat with Lori and come up with an article for the Parish News.

Need more volunteers for coffee hour. Especially for clean up after the 10:30 am service.

Altar Guild – Emily

Candelabras – the sockets were checked by Barry Moyer and are tight at the moment. Emily suggests that after March 3 when the candelabras are removed from the altar, the candelabras should be assessed and checked again. The oil needs to be filled each week.

Dale and Mary Jane have been supplying the wine for 25 years and they would like someone else to take on this responsibility after 2018. **Formal thank you to the Moyers after Dale returns to church.** Consider doing this sooner than later. It was decided that something should be placed in the Newsletter and Grace Notes since Dale progress is not good at this time. Kay and Emily will create a note.

March: Discuss using different candle holders for the Christmas Candle lighting Service. Have plenty of candles.

Memorials - Bob Reilly

Suggestion for a set of banners to be used in the Fall and after Epiphany. Green ones are up for a long time through summer and the fall. Something Green and appropriate. Good sale from Praise Banners. 5x7 banners are on sale for \$200 each.

Parish News due February 17th for the March issue
