A Letter from Pastor

**November
 2017**

"Martin Luther and Thanksgiving"

Dear Members and Friends in Christ,

As I write this article for the November newsletter, we are just days away from the important celebration of the 500th Anniversary of the Reformation. Most of my pastor's letters this year have focused on one aspect or another on the life and teachings of Martin Luther. In November, we also celebrate a national day of Thanksgiving on November 23, earlier in the month than most other years. Hopefully, it doesn't just mean more shopping days from Black Friday until Christmas! I do hope that you will begin the holiday right with worship on Wednesday, November 22, as we gather at Heidelberg UCC in Hatfield with other United Church of Christ sisters and brothers to give thanks to God for all we have received as individuals, families, congregations, and a nation.

So what does Luther have to do with Thanksgiving anyway? In fact, the Reformation began nearly a century before the Pilgrims' arrival to America and the traditional story of Thanksgiving after a hardship winter. But I do think we can borrow what Luther believed in a spiritual and prayerful observance of the day.

One needs to look no further than Luther's explanation to the First Article of the Apostles Creed, "I believe in God the Father Almighty, Creator of heaven and earth", in his two catechisms, the Small Catechism and the Large Catechism. A catechism is an instruction book for the faith written in the form of questions and answers. Luther's Small Catechism was written primarily use in the home, so parents could teach

their children the basics of the faith. On the other hand, the Large Catechism was a more detailed explanation of the Small Catechism, much of it from created from sermons delivered by Luther himself to his congregation in Wittenberg in 1528.

In the Large Catechism, Luther sees God the Father as the one who creates and sustains us- body, soul, and life. He provides all physical and temporal blessings -- including good government, peace, and security. Luther wrote, "None of us has life...from ourselves, nor can we by ourselves preserve anything, however small and unimportant. All this is comprehended in the word, "Creator". Luther further goes on to say that God daily guards and defends us from every evil and misfortune, "out of pure love and goodness, without our merit, as a kind father who cares for us."

We are called to remember this relationship "in every blessing that comes our way." But it does not just apply to the good things in life, "Whenever we escape distress or danger, we should recognize how God gives and does all of this so that we may sense and see in them his fatherly heart and his boundless love towards us. Thus our hearts will be warmed and kindled with gratitude to God and a desire to use all these blessings to his glory and praise."

I hope you take some time in this gift of a Thanksgiving season to consider what the Lord has provided for you, the ways he has encouraged, protected and sustained you; and the difficulties and hardships the Lord has accompanied you with strength and love for the journey. See you in church!

Together in Ministry,

+ Pastor Dave Lutcher

Thank you!!! I am SO appreciative of the many thoughtful expressions of concern and care I received in September after breaking my right wrist and requiring surgery. This congregation is filled with big hearts and I'm ever so happy to have been the recipient of so much kindness. With much gratitude – Carol MacDonald

INreach Ministry....please REACH OUT TO US! Sometimes it's easy to keep problems to ourselves and just deal with it, however, that approach can make anyone feel isolated and resentful. Although Grace is a small congregation, we are blest to have INreach volunteers who would love to offer a helping hand or a caring heart to improve your situation. Please take some time to **fill out the INreach flyer** (included in this newsletter) and send it back to us at INreach. We promise to keep your situation confidential.

Serving Nametags – For those of you who Greet or Usher and are frustrated because you can never find your nametag amongst many others in the “box”....we hear you! Each person now only has ONE nametag, with multiple titles tucked into one badge. Please rotate titles as needed. Also, if you're serving and a nametag was not created for you, please let Carol MacDonald know so we can add your nametag for future use. Thank you for your service!!!!

North Penn Area CROP WALK Sunday, October 15, 2017

CROP Hunger Walks help children and families worldwide – and right here in the U.S. – to have food for today, while building for a better tomorrow. Our local efforts are making a huge difference... and you are part of it! (from the CROP Walk website)

Sunday, Oct. 15th began with a threat of rain but several members from Grace Lutheran Church did not let that keep them from participating in the 2017 CROP WALK. Their mission: to help raise funding for those in need of food both locally and globally. Thank you to all the sponsors who supported our walkers.

A big THANK YOU to our **Grace Walkers**: Kerry, Olivia and Lindsay Stone, Elizabeth Brigidi, Laura, Wyeth and Micah Slugg, Jean Shaffer, Tami Sarm and Franklin (her four legged companion), Kathy Stawasz, Carol MacDonald and Pastor Lutchter.

Adopt-A-Family Christmas Project 2017

Grace members and friends are invited to provide gifts to families in our area to help them celebrate a traditional family Christmas and to experience sharing gifts with their family. The Hatfield Christmas Committee organizes the gift giving for our area families and delivers these gifts in time for Christmas Day. We know these families are located in our area, but their identities remain confidential. Each family must complete a survey and are carefully screened as far as their immediate needs.

We hope you will plan on doing some Christmas shopping for our families this year. Watch for more information in Grace Notes and for the display in the narthex during the month of November. Suggested items for each family will be available for your choosing. What a wonderful way to begin the Advent Season by giving to one of our families.

As a Reminder - Be prepared for medical emergencies in church

I would gently like to remind everyone to review and be aware of signs and symptoms of stroke. We had an incident in church awhile back where it was realized we should always be aware of situations that we can help with. There is a **Red tackle box in the kitchen, wire shelf to the right of the door, at eye level**, as well as a Red Tackle Box for Band-Aids and such. Included in the box is a copy of the below signs and symptoms, a bottle of Rapid Release Aspirin (under the tongue), which should be given immediately to someone having heart attack symptoms. For the diabetic having low blood sugar there is a couple bottles of Sugar Tablets. And just for comfort measures and things you don't want to **hunt** for, such as personal wipes, rubber gloves, paper towels, emesis bag and a Wrist BP machine and notepad and pencil. Also note that if you call 911 firmly remind them to enter our parking lot across from the Post Office to speed up response time. For more information please visit www.heart.org and watch the Hands Only CPR demo video. Be prepared and ready to jump into action and pray for God's help!!

STROKE occurs when the blood flow to the brain is disrupted, depriving brain tissue oxygen and nutrients. Within minutes, brain cells begin to die. One of all of these symptoms typically come about suddenly.....Common Stroke Strikes **FAST**. You should Too. Call 9-1-1. Know the symptoms of stroke. Learning them—and acting **FAST** when they occur—could save your life or the life of a loved one. Common stroke symptoms include:

- Sudden numbness or weakness of the face, arm or leg—especially on one side of the body.
- Sudden confusion, trouble speaking or understanding
- Sudden trouble seeing in one or both eyes
- Sudden trouble walking, dizziness, loss of balance or coordination
- Sudden severe headache with no known cause

Use the F.A.S.T. Test for recognizing and responding to stroke symptoms:

F = FACE Ask the person to smile. Does one side of the face droop?

A = ARMS Ask the person to raise both arms. Does one drift downward?

S = SPEECH Ask the person to repeat a simple sentence, such “It is sunny today”. Does the speech sound strange or slurred?

T = TIME If you observe any of these signs, it's time to call 9-1-1 or get to the nearest hospital. If within 3 hours of onset of a stroke, the patient may be treated with a clot-busting drug called tPA and could reduce the risk of long-term disability and improving the likelihood of a full recovery.

NOT ALL the warning signs occur in EVERY stroke. Don't ignore signs of stroke, even if they go away.! Check the time. When did the first symptom start? You will be asked this important question later.

HEART ATTACK WARNING SIGNS:

Some heart attacks are sudden and intense, but MOST of them start slowly, with mild pain or discomfort. Here are some of the signs that can mean a heart attack is happening:

- Chest discomfort. Most heart attacks involve discomfort in the center of the chest that lasts more than a few minutes, or that goes away and comes back. It can feel like uncomfortable pressure, squeezing, fullness, or pain.
- Discomfort in other areas of the upper body. Symptoms can include pain or discomfort in one or both arms, the back, neck, jaw or stomach.
- Shortness of breath. This may occur with or without chest discomfort.
- Other signs. These may include breaking out in a cold sweat, nausea, or light-headedness.

If you or someone has these symptoms do not wait. Call 911 immediately, don't wait and think the symptoms will just pass.

It is very important to always be cognizant of medical emergencies when you least expect them, but being calm and prepared helps the person as well as all the responders. Please check out the location of the Emergency Red Tackle Box.

Thankyou for your attention. Lori Pluda

Attention all Serving Volunteers.... Thank you for serving in 2017. It is that time of year when we put together the 2018 serving schedule. Stepping Stones - October 2017

Stepping stones is looking forward to an exciting fall. With the warmer temperatures we are able to spend more time out side than usual. Both nursery school and Day Care children had a visit from the Hatfield Fire department. The fire-fighters brought a fire truck for us to see and showed us the hoses and equipment they carry on the truck. They also gave us a presentation about fire safety. The highlight was when they blew the fire siren. A big thank you to the Hatfield Fire company.

The nursery school classes went on trip to Del Val Market where we had a wagon ride around the farm. We visited the pumpkin patch, and we each got to pick a nice orange pumpkin. Then back on the wagon for a ride to the apple orchard where we got to pick apples. What a fun day for our nursery School classes

"Altar Guild is looking for additional members, especially to help with the 10:30 services.

Duties include setting up and cleaning up the bread and wine for communion. Please call or speak to Emily Woltmann if you are interested in helping with this committee. Contact Emily. Thank you.

Learning new anthems is like Bible Study and on a regular schedule, builds a strong foundation

With Summer gone, we can reflect upon our past Summers and remember how they were spent in our youth. We had church camps, retreats, family vacations and traveling trips. Remember singing in the car with your family, singing camp songs and hymns at camp?

Then, upon going back to school; remember singing in the school choir and also at Luther League Fellowship? Remember leaving the cherub choir to sing in the children's choir? Next step was singing in the junior choir before you started singing in the senior choir.

Our subsequent lives and dinner conversations have often revolved around that amazing and sometimes mystifying group called "The Choir" and its place in parish life and worship. We have seen our evolving from the Red hymnal to the green hymnal. Next was 'With One Voice' and now The Evangelical Worship Hymnal.

Being raised in music, I have moved to a different place in the chancel. But the years spent in the choir stalls initiated for me the spiritual bond between song and prayer, and I continue to find that bond a rich source of meditation.

My work has taken me into many different churches. While serving with the US Army in Korea, I was asked to be the chapel organist. Upon my honorable discharge, was offered a position in the Drexel University music department. The other two members of the faculty were both church organists and encouraged me to continue to be one.

As a result, my experience of church music has broadened and deepened. I hope that this article in our Parish News will resonate with you, who give your gift of song-along with "the whole company of heaven" to enhance the worship of our Lining Lord.

I've often noticed the similarities between rehearsal and prayer. We may be tempted, for a variety of reasons, to skip prayer. Sometimes when we pray, it seems tedious. However, if we persevere, something begins to happen. We may not notice it during our prayer time, but we will notice it in our lives.

From the console, I can enjoy hearing many good voices singing out the hymns and our liturgy. Those of you with these voices would greatly contribute to enhance our choir in the singing of our anthems!
