#### **Announcements**

As you face the rear of the sanctuary from inside, a nursery area is available on the other side of the doors to the left. Restrooms are available after passing through the doors on the right.

Busy Bags for young children are available hanging on the tall wooden rack in the Narthex by the Pastor's office door. Please feel free to pick one up so your small children can enjoy quiet play during the worship service.

*We may be taking photos or video recordings during Grace Events. You will be giving your consent that any pictures and/or video taken may be published and/or distributed by Grace Lutheran Church (i.e. Facebook, website, promotional materials) by attending these events. Please let Pastor Lutchter, or a church council member, know if you would prefer that you and/or your child's image not be used.*

**Communion Choice:** White grape juice is available for you to choose during communion. The white grape juice is in small communion cups in a silver tray on a table located at the right front row of chairs near the altar. As you approach the altar you may take a glass from the tray with you to the altar. When the chalice is brought to you, you drink the cup of grape juice. Empty cups may be returned to the empty side of the tray.
