**Council Supports Worship & Music recommendations** that Grace return to in-person worship, beginning on Sunday, July 5<sup>th</sup>. Governor Wolf recently announced that Montgomery County will move to Green on Friday, June 26<sup>th</sup>; waiting until the next weekend follows the recommendation of Bishop Davenport that congregations of the synod wait until July to return to in-person worship and gives us time to prepare. There will be one service at 9:15 am OUTSIDE, weather permitting (bad weather moving inside, called at 4 pm on Saturday.) Safety precautions will be in place.

Worship & Music thanks everyone who took the time to fill out a survey to assist us with the decisions. 29 households, including 44 members and friends participated. There were 8 children in those households. Look for a first class letter this week with all the details.

**PB & J Sandwich Update: Welcome Bread**

We are still making PB & J and Tuesday is still our day!

Here's an update from the Jelly Czar:

After two weeks, we are back on track. Let me tell you what has been happening. Initially, we were working only with Project HOME in Philadelphia, partnering with them as our distribution partner. Since the situation in the city has changed, they need fewer sandwiches. That led to some serious scrambling on my part to find new groups who can get our sandwiches and snack bags out to the street.

It took a bit of work, but I'm happy to say that we have added four different distributors who are able to get our sandwiches to hungry folks in Montgomery, Delaware and Philadelphia counties. We have leveled out at about 2000 sandwiches a week and could probably grow that. I do a good part of the driving for pickups and am happy that Barry is able to pick up the slack, getting food to Project HOME on Wednesday. The Welcome Bread Facebook page has the most current information.

We have good partners and you should feel confident that your work is getting to people who need it. Please check in if you have any questions and keep up the valuable work that you are doing.

With gratitude, **Lou Farrell, 215 353 8947**
