Sunday School has ended for the season: See you in the fall!

Open Sundays for the Eternal Light Candle and for the Bulletin, now that we are returning to in-person worship: for all July Sundays. Email the church office or contact the Pastor if you are interested in a week for a dedication.

We'll be waiting a while to return to flowers, as we will be outside.

We may be taking photos or video recordings during Grace Events. You will be giving your consent that any pictures and/or video taken may be published and/or distributed by Grace Lutheran Church (i.e. Facebook, website, promotional materials) by attending these events. *Please let Pastor Peterman, or a Church Council member, know if you would prefer that you and/or your child's image not be used.*

Barbara Watts is looking for a handyman or home improvement person to assist with a few problems in her home. If you are able to assist or if you know someone who may be able to help, please call Barb.

Congratulations to Welcome Bread!

Welcome Bread was given a grant to use for refrigeration (see, above, the new refrigerators!) from the Philadelphia Foundation for special grants available during this time for organizations tending to needs during the time of Covid-19. We'll hear more from Lou soon, but for now, this is going to make things so much simpler and safer for all our sandwiches. Congratulations, Lou, and thanks for developing such an appealing vision that we can all take part in!
