GRACE LUTHERAN CHURCH
November 1 – All Saints Sunday

SUNDAY MORNING

Welcome to Grace! We worship indoors with one service at 9:15 am by using certain safety protocols to care for each other. As attendance rises, we will consider returning to two services at 8 am and 10:30 am.

Find Grace Worship Online

Go online in any way (phone, tablet, or computer with any browser). Go to www.YouTube.com and search for: Grace Hatfield Services (posted each week on Wednesday following the Sunday, at noon). Find the lessons & prayers on Grace's website. **Spread the word!**

The Flowers on the altar are provided this week to the glory of God by Joyce and Tom Salter in memory of Andrew Fischer, and by Kay and Frank Stone in honor of members of the Call Committee.

For Sunday School: We're holding Sunday school by Zoom. It's so good to see each other! Contact Laura Slugg for your personal invite (p)'s are ok!

You will be giving your consent that any pictures and/or video taken may be published and/or distributed by Grace Lutheran Church (i.e. Facebook, website, promotional materials) by attending these events. *Please let Pastor Peterman, or a Church Council member, know if you would prefer that you and/or your child's image not be used.*

Thanks to Barry Moyer for repairing the bench in our playground area. It was really more than a repair. It was a complete makeover. Great job!

Cards of Care around Grace:

A couple of Grace members are hospitalized, but with Covid and other restrictions, visitation is limited. Do you have time to send a card? Take a moment to cheer up someone's day! Family will get the cards to the person.

Warming Center Progress

This week, we signed a contract for the generator for the Wagner House as well as a hook up to the sump pumps in the main building. This has been a project Stitches and the Property Committee have worked on for a long time and we are thrilled that it will be installed before this winter. Special thanks to Bruce Schmidt, Frank Stone and the Property Committee for all the work they have done on this project to make it a reality. Next we will need help developing the guidelines for the Center. If you would be interested in helping with this project, check out next week's Grace Notes for a meeting place and time.

Adopt-A-Family Christmas Project begins Next Sunday, November 1

2020 requires **NEW** shopping ideas! This year we will support two families from our Stepping Stones Day Care, **BUT** in addition we would like to recognize the Staff of Stepping Stones for their amazing work continuing to bring needed daycare to our community. But we are not stopping there! Let's help the people of the Welcome Church prepare for cold weather by giving socks. **WE CAN DO THIS!!** Display will be available next week. The *Giving In Service Team* appreciates your generosity!
