A Letter from the Pastor

*While we are waiting, come;
While we are waiting, come.
Jesus, our Lord, Emmanuel.
While we are waiting, come.*
Claire Cloninger

Dear Friends at Grace,
2020 has been filled with waiting – for answers about the virus; for a vaccine; for news about the election and now for results to be certified in all races; for the Call Committee to get candidates; for how we shall survive all this stress and anxiety...

But as we see from each of these huge and difficult experiences, events can come and go, and resolution can be elusive. Yes, these things matter, and in the meantime, God also gives us health and strength and resources to work together to be the witness that we can be here – about health, about feeding people who are hungry, about building new relationships that bear witness to the power of Christ's love, no matter how we vote or what our particular most important issue is.

This year we enter the season of Advent, of new beginnings, of anticipation, with the confirmation of Seth Hercolini, Wyeth Slugg and Olivia Stone. **[Sunday, 11/29, 2 services 8 am and 10:30 am]** Close on confirmation's heels, we hope to receive new members and to return to baptizing – several families are preparing.

Are you struggling to feel God's presence in this moment?

Let us pray for you.

Be encouraged that the One coming arises out of God who is the Creator of all that is. That this God is already with us, and promises to be with us for eternity. And let us together do those things together that we cannot do alone.

Come, Lord Jesus. Come quickly.

Amen.

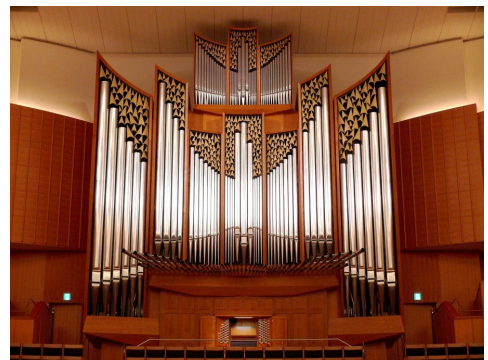

Interim Pastor Janet S. Peterman

Minister of Music

Dear friends at Grace,

As part of our collaborative with Heidelberg United Church of Christ, we have put together a virtual service for Thanksgiving. Featuring most members of our choir, all singing TOGETHER on 3 hymns. I was able to do this by meeting with each member of the choir, including Pastor Peterman, to record everyone individually and then mixed the voices together which then was blended with my virtual pipe organ accompaniment. The results are warm heart-felt hymns of thanks and praise! I really hope you feel inspired to sing along...

in your kitchen, on your comfy couch, or where you find yourself seated when you tune in to our service. Following the evening service will be a concert exclusively prepared for you, our congregation and Heidelberg members, too. It features 6 different pipe organs I play in virtual form. It will sound best if you happen to have a pair of headphones or earbuds. If you watch the concert, you will hear and see me as I explain and play these virtual pipe organs. There are organs from Germany, France, the Netherlands, and the USA!

Joy to the world, the Lord is come! Recently I started to practice with Harold Schaefer on guitar and me on piano for some Christmas music for this year.

Cont.

These songs will also include our choir and solos. Also, as part of my preparation for Christmas, I've plans to rehearse hand bells for Christmas. If you happen to be interested in being part, let me know! There will be an introduction to ringing for newbies and then some rehearsal time. The music will be pretty straightforward and easy but fun. I'm looking forward to including the choir singing together on an anthem for Christmas Eve. See me for details if you want to join our efforts to make this anthem come together.

Worship and Music has agreed we put together a service for Lessons and Carols for December 27th. Even though we can't sing as much in church, ALL of the CAROLS will be SUNG! This service will be assembled with the help of our choir, Harold, Pastor Peterman, me and members of our congregation. The service would be entirely virtual as we cannot sing all those carols in the church this year but I promise it will be a service you'll want to see online as you get to hear our Choir! This involves a lot of prep time as there's many parts to put together but the process in making it happen is worth the time because it is a fun and different way to do things together. As you watch and listen and sing along, just know that all we are doing this for you, our church, our families.

In closing I want to mention that I've coordinated with Connie McCarthy and her niece, Katelyn (Jeff and Sandy Klinger's daughter) and Katelyn's husband Chris for Christmas. Their violin music will be part of the 9pm Christmas service but it will also be recorded then included in our virtual Lessons and Carols service on the 27th.

We have opportunities to pull together some really good things and we can be a source of encouragement through music in clever ways.

Thank you, Lord for blessing our life and Grace Evangelical Lutheran Church and its members. For food that sustains and nourishes us but also for the moments we have to pause and consider how you give love and grace to each of us every day.

Kevin

Adopt-A-Family Christmas Project
TIME TO SHOP FOR OUR FAMILIES and MORE

2020 requires NEW shopping ideas! This year we will support two families from our Stepping Stones Day Care **BUT** in addition we would like to recognize the Staff of Stepping Stones for their amazing work continuing to bring needed daycare to our community. But we are not stopping there! Let's help the people of The Welcome Church prepare for cold weather by giving socks. WE CAN DO THIS!!

The display for our Adopt-A-Family Project is in the narthex. Please take a few minutes to check out the display. If you are not attending worship, we invite you to drop off items at Grace. Bins will be outside the main entrance for socks and Angel Gifts. Gift cards in envelopes marked for Stepping Stones Staff may be placed in the church mailbox by the main entrance.

1. You may participate in several different ways in our collection of items for our two families from the Hatfield area. You can choose a gift and/or gift card to purchase for our two families. A wish list of items for each family is available for your choosing. We are also collecting items for the Angel Boxes. These items are everyday supplies needed by our families. A shopping list is provided for you and can be found by the Angel Gifts display.
2. You can choose to take an envelope to donate a \$25 gift card for a staff member of Stepping Stones and/or pick a gift for one of the classrooms.
3. You may donate warm, crew or longer socks for the members of The Welcome Church. These inexpensive socks will be used to keep hands or feet warm this winter.
4. Please return your gift(s) with receipts by **Sunday, Dec. 6th**. If you would like the Confirmation class to do your shopping, please give your donation to Pastor Peterman by Sunday, Dec. 6th.

I really hope you are able to come. Sorry there will be no going out for lunch, so bring a lunch and mask. I guess we will be meeting inside in a larger space to socially distance unless we are still having good weather then we will be at the pavilion. Our first meeting in 2021 will be January 6th, I hope everyone has a Merry Christmas and a safe and healthy New Years, Barb Watts

Hatfield Christmas Committee

Dear Loyal Supporters of the Hatfield Christmas Committee,
This is the time of year we usually send out our letter requesting your support for the needy families of the Hatfield Community. This year we will be supporting the families connected with the two local Food Cupboards.

Our mission to help others who need a hand up and not a hand out still remains but with a different look this year. We are focusing on purchasing \$25 gift cards to Walmart and Giant stores. These will be made available to the families in need at the two Food Cupboards in Hatfield, Emmanuel EC Church on Lincoln and Main Streets and Church of the Brethren on Cowpath Road, Hatfield.

If you choose, we invite you to donate to the gift cards at:
Hatfield Christmas Committee C/O LP, PO Box 485, Hatfield, PA 19440

We are also changing the Angel Boxes. These include items that cannot be purchased with food stamps. We are asking for only personal hygiene items. Once collected, they will be made available to the families in need through the two food cupboards. The list of these items include:

Toilet paper	Paper towels	Kleenex	Feminine products
Razors	Deodorant	Bar Soap	Tooth paste and brushes
			Shampoo- tight lids

We will be collecting these items until Saturday, December 5th. They can be dropped off at Grace Lutheran Church, Hatfield.

Please accept our sincere thanks for your past support. These are certainly difficult times for all. As we struggle to find our “new normal”, please stay safe and may God Bless you All
Thank you, Mary Catherine Reilly

Getting Ready for Confirmation
Sunday, November 29th, 10:30 am
Olivia Stone, Wyeth Slugg and Seth Hercolini will be confirmed on the first Sunday of Advent.

Stir up in Seth, Wyeth and Olivia the gift of your Holy Spirit: the spirit of wisdom and understanding, the spirit of counsel and might, the spirit of knowledge and the fear of the Lord, the spirit of joy in your presence, both now and forever. Amen.

They've Grown!

Confirmation students, along with younger children and others in the congregation, serve as acolytes at Grace. While in confirmation class, that's one of their responsibilities, and a requirement. The confirmands will wear robes for their confirmation day, like they do when acolyting, but look how much they've grown! They've grown in so many other ways, too! As they confess their faith and become voting members of the congregation, they have each chosen a new area of the ministry in which to serve.

Their example shows us that we can all try new things. As Grace prepares for its new pastor, some ministry teams are reorganizing. Because of Covid, some of our ministries have to be done in different ways -- like keeping in touch with people by phone, video and audio, who can't be here in person -- but the ministries are just as important. A new Team is being created for building relationships with the people in and around our building. Plus, now more than ever, we need some new acolytes from among members of the congregation, as the number of confirmation students available is not enough to cover.

Do you have an idea of how you would like to serve?

Do you need to make a change?

Do you have an idea of how your strengths can best be used for Grace's mission?

Speak with a Council member or with Pastor Peterman.

Thank you for the cards sent to me on my 90th birthday. I'm going to keep them. Mabel Hoepfl

Welcome Bread Update!

If we have a good week, your donations of PB&Js will have pushed Welcome Bread's total of sandwiches to 60,000 delivered since the middle of April. Thank you! Hungry folks are being fed. It has been a long time since the last time I updated everyone on where your contributions are going. We now have a wide network. Welcome Bread distributes from Souderton, through Philadelphia to Chester, PA, three counties. There are ten churches and social service agencies that weekly receive Welcome Bread hygiene kits, clothing, fresh fruit, bottled water, snack bags and PB&Js. Two of those groups take a large volume of our products, then distribute them to another eight groups. Your donations not only support the chronically homeless, but help out kids who are not getting school lunches in addition to families in need.

The type of food that we distribute has grown well past the sandwiches that we started bringing to Project HOME eight months ago. Amy gives us fruit every week. Jean and Rick secured us a large Thrivent grant to pay for snack bags. St. John's Ambler is always good for snacks too. Fran gives us water and snacks. The Philadelphia COVID Fund helped us get a commercial refrigerator, which is far better than the trunk of my Camry. Julia over at Lutheran Disaster Response provides masks. Numerous people provide warm clothing. But the bulk of your giving is in humble peanut butter and jelly sandwiches. We lucked into a nutritious product that is familiar to everyone. I have heard over and over again that our friends receiving the sandwiches appreciate a PB&J just like their family used to make when they were kids. I have also been told that putting together the sandwiches feeds the maker's and their bubble's souls. Thank you for all of your hard work. I look forward to further collaboration.

PB & J Sandwiches, Instructions (Tuesdays are drop-off days: 8am-7pm)

- You make peanut butter and jelly sandwiches on soft *white* bread and put them in ZIPLOC bags, 1 sandwich per bag. Use cheap white bread with gobs of PB and J. A loaf will get you nine sandwiches. Please consider buying two loaves.
- The cooler will be at the entrance to Grace all day each TUESDAY. Leave your donation in the labeled coolers between 8:00 am and 7:00 pm
- Please email, text or call Jelly Czar Lou to let him know how many sandwiches you made.
