A Letter from the Pastor

Dear Grace Family,
 I sit preparing my message for you on Monday, January 18th, when so much seems on hold: we can sign up for a vaccination shot, but there isn't enough of the vaccine available yet, even for people in the highest risk groups, so "normal life" seems farther and farther away; capitals around the country are on lock down while we wait and hope and pray for a safe inauguration and the peaceful transfer of power and for how to proceed being the *United States* together; at Grace, we await more pastoral candidates. Seen from this list of trials and tribulations, to which many of us can add others, these are quite difficult times!

Faith doesn't necessarily make any of these challenges easier. Many of us are grieving, struggling with the ongoing virus restrictions, and feeling the stress and strain of the ongoing tumult facing our nation. But faith in Jesus does place us in a context.

O God our Help in Ages Past! Faith reminds us that God has carried us through many trials and difficulties in the past. God is steady and will not abandon us now.

Be Thou our Vision... Faith reminds us that we are not on our own to make decisions about all the troubles that face us. God guides us through prayer. We have the

wise counsel of each other in the body of Christ, through the many in our nation and communities who work with us to resolve our problems together.

On this day set aside to remember the life and witness of the Rev. Martin Luther King, I remember his definition of faith: *Faith is taking the first step even when you don't see the whole staircase.*

King reminds us that faith can make us bold, for with faith we are trusting in the strength and power of God.

When you feel overwhelmed by so much being on hold around you, by so much that you are NOT able to do, remember to ask yourself what is in your power TO DO? And how is that action in line with your faith? With Grace's mission?

May God hold you safely until more is possible!

Yours in Christ,
Pastor Janet S. Peterman
Interim Pastor

A New Grace Ministry

The new team will host events through the year to help our members get to know the people in and around Grace. We are hoping to meet sometime during the first 2 weeks of February. Once a date for the initial meeting is selected, it will be announced through Grace Notes. However, there will be plenty of other opportunities to join in, and each of the events will also be opportunities for people to get on board. If you are interested contact the church office and keep your eye out for more information.

Minister of Music

Hello Grace family and Happy New Year! It is a good thing that we have something new in front of us. My very thoughts this first month of the year are on moving forward beyond the pandemic we endured in 2020. I invite you to reflect on what you want or need in this new year and know that you are not alone in many of the hopes many folks have in common.

I recall a frequently sung or spoken Advent word "Immanuel", meaning "God is with us". It is good to know and trust in God, perhaps now especially as we move forward.

We will be celebrating many things this year. I am hopeful that more singing will return soon and that our songs can be heard from stored up eager and energized voices!

Our choir will be rehearsing some anthems and present them virtually for us to listen to. That means we will have need for rehearsal on a smaller scale that is safe but allows us to prepare music for worship over the next several months.

Thinking of all of you, wishing you well and hoping to see you at worship.

My warmest best wishes for a Happy New Year together in Christ.

Kevin

Are you missing your Grace Worship Connection?

If you are missing your connection to Grace's Worship because you cannot or do not want to attend worship in person, there are several ways to stay connected.

If you have internet:

- You can receive Grace Notes weekly through email
- You can view Grace's website for Grace Notes, lessons and prayers, and a video of the prior week's service as well as other current information
- You can go to online to www.YouTube and search for : Grace Hatfield Services
- If there is enough interest, we may also be able to arrange Zoom social

If the above are too technical for you, we have several CD players gathering dust in Pastor Peterman's office that were purchased in 2019 using memorial money. We would be happy to drop one off for your use. Grace will provide a monthly audio CD (starting with October) so that you can listen to the the wonderful music, the inspiring sermons, and hear some voices you may have missed. If all of the above are too technical for you, we can mail you Grace Notes and manuscripts of the sermons that Pastor Peterman provides using the US Postal Service.

If you are currently not involved with any of these methods or would like to experience a different one, contact the church office and we can get you started with a new way to experience your Grace Worship Connection.

Current Digital Photos Wanted for the Website

We would like to keep the website photos more current. Horizontal pictures work best, and for picture quality on the website, picture size should be between 1 and 2 mg (1700 by 350 pixels). If you have any good ones that either meet this criterion or could be edited to this size, please email them to the church office at graceassistant40@gmail.com. We are especially looking for a good photo for the **"Welcome"** page, the **"What's Happening"** page (this one is of poor quality, but the best we have as of now) and the **"Learn and Grow"** page (these are all a few years old).

Thanks from Staff

Dear Grace Family, Words usually come easily to me, but somehow the simple words “thank you” don’t seem to carry enough: for your generous Christmas gift, for all your kind warm wishes and goodies over the holidays, and for your interest, thoughts and prayers during these last months since Kent’s accident. Know that those 2 words have my full heart in them, though, and that I am grateful. Thank you! **Pastor Janet S Peterman**

A huge thank you to all Grace members and folks who stepped up to help with music preparations for Christmas. This was a challenge but what great things came from it. The participants all gave 100% of themselves to make it happen so please hear me when I say Thank You everyone! We had piano, guitar, violin, chimes ringing, choir, vocal solos, the support from the office, Pastor Peterman, members of Worship and Music, Council, Finance, and generous members who supported me and music ministry in so many ways. I was able to put together music in virtual form and share that at Christmas. So grateful to all of you as you helped give music a life in our church during this COVID challenge.

And to my dear choir members and members of Council, your kindness and gifts to me personally were extremely kind and very thoughtful. Thank you. I feel like a family member to you in the ways you welcome me each week and at the Holidays to remember me and bless me.

My most sincere wishes to all Grace members in the New Year. **Kevin**

Condolences: Trusting in the mercy of Almighty God, we pass on the news of the death of Scott Ball on 1/5 following his involvement in a car accident. May God surround with love and comfort all who mourn his passing, including his parents Diane and Don Ball, his brother and sister, Mike and Laura, niece and nephew, Lola and Lucas, grandparents and a host of friends. Given COVID restrictions, there will be no gathering now. Should you want to send a card, call the office for addresses:

Also passing, our sister in Christ, Joan Amundsen, who died the evening of 1/19. Joan came to Grace not so many years ago, bringing her great-granddaughter Liana Murphy with her for confirmation class, and filling our walls with the most gorgeous hand work including the stunning star needlepoint banners that grace both our sanctuary and the pastor's office door in the Christmas season.

According to her wishes, there will be a family only burial in Hazleton, Pennsylvania, where her husband is buried.

If you would like to send a card, call the office for an address: **Liana Murphy**

WELCA

First of all I want to apologize to Mary Jane Moyer for not adding her name to the WELCA committee report for the Annual Congregational meeting.

We will be having our February meeting Wednesday February the 3rd at 10:00am, and we will be filling out Valentine cards for our Homebound members. As always if you would like to join us please feel free, all you need to bring is a lunch and wear a mask. Hope to see you. Barb Watts .

Sunday Church School

Sunday school has been meeting virtually on Sundays 10:30am - 11:30am since the FALL. We have been having a good time learning about the parables Jesus told to help us understand how God wants us to treat other people WITH LOVE. If you know someone who would like to join in the fun, please have them contact Laura Slugg.

Stepping Stones Update

We are in love with Stepping Stones! As February approaches we cannot believe all of the great things that are happening for our school! The Tiny Turtles Transitional Toddler classroom opened this month and is already halfway full and we continue to gain new children every week. Our staff has been working on trainings this month to keep up to date on the most current COVID-19 practices and we are beginning to set up for Summer Camp and the 2021-2022 school year. As we look towards the next year we are faced with a voting decision regarding our Nursery School Program as we have had no interest for the upcoming year. The Stepping Stones Committee will be voting on the continuation of the program next month and we will be sure to keep you up to date. Jess Moran, Director

HAPPY NEW YEAR FROM THE EMMANUEL EC FOOD CUPBOARD:

Volunteers Needed! We know it's been a rough time for Hatfield residents as evidenced by the number of new faces we are seeing on Tuesday Evenings and Tuesday Afternoons. We know a lot of our volunteers are staying away because they are limiting their exposure to the Corona Virus. Let me tell you about the social distancing measures in place to protect volunteers while we serve the community in this important way.

1. No customers allowed inside until further notice.
2. Volunteers wear masks, use hand sanitizer regularly, and wipe down surfaces as needed.
3. Customers call to get their place in line, we take a clipboard and order sheet out for them to complete.
4. Volunteers fill orders, weigh, and take food to customers car.

We respect everyone's comfort level, but it has been a lot the past few times when only 2 people were there to run the distribution. If you are willing to help, but want to minimize your interaction with people, we could have you fill orders and/or weigh the bags without having to leave the shopping area.

THE FOOD CUPBOARD TEAM

Current Needs at Emmanuel EC Food Cupboard:

- Funds for additional shelving
- Individually wrapped rolls of toilet paper
- tuna in oil
- paper towels
- laundry detergent
- dishwashing liquid
- tissues.

Laurel House Valentine's Day Project 2021

The Valentine's Day Project for **Laurel House** continues through Sunday, February 7th. The *Giving in Service Team* invites you to support our Valentine's Day Project. Laurel House provides shelter, care and counseling for abused women and children of Montgomery County. Because of COVID protocols, Laurel House prefers gift cards this year. If you would like to give a cash gift of any amount, we will use your gift to purchase \$25 gift cards. (The agency prefers \$25 gift cards.) Envelopes are available in the narthex. If you are unable to attend church, you may place a gift in the mailbox outside the main entrance or send your gift to Grace. Please mark your gift for **Laurel House**.

Please drop off your gift by Sunday, February 7th.

The Giving In Service Team

What is Laurel House? Laurel House is a comprehensive domestic violence agency, providing supportive and preventative services throughout Montgomery County. Through the help of local churches and community groups, the women and children are provided with the funds to shop for the personal care items and other necessities for daily life.

Thanks to all for the cookies and greetings. It is greatly appreciated.

Dear Family at Grace,

Thank you all for remembering us with cards at Christmas. It was a nice surprise that brought back many memories of our time at Grace. Although we are no longer able to attend services, we are still part of the congregation and miss seeing you all.

God's Blessings to All,

Mary Jane & Chuck Slugg

To My Church Family,

Thank you for the many Christmas Cards and the tin of cookies. It was great to hear from all of you. I was able to spend Christmas with Donna and Todd and had a zoom meeting with her five children. Hope all of you have a safe and happy new year.

Take Care and God Bless,

Kitty Heckler

Dear Grace Lutheran Church Hatfield,

Thank you so much for all your cards, candy, and Christmas cookies (so good). I miss you all so much, but I can't walk very well so it's best if I stay home. Hope everybody is, or most of you are, staying well. I pray for all of you.

God bless you all. Love you.

Joan Roeder

Thank you for the great cookies. We enjoyed them very much.

Welcome Bread Update

Welcome Bread has now delivered over 100,000 PB&J sandwiches with regular deliveries to 3 Philadelphia counties. About a third of the donations are contributed by Grace. On average there are 70 people making and distributing food. Ten churches and social service agencies receive donations weekly. Two of these groups take a large volume and then distribute them to another eight groups. The donations support the chronically homeless, kids who are not getting school lunches, and other families in need. The food delivered has also changed. It now includes fruit, snack bags, and water from other sources. Grants were also received from Thrivent, ELCA and Reformation Lutheran Church allowing supplies to be purchased in bulk, reducing their cost. Jelly Czar Lou and 2 other drivers drive about 300 miles a week on collection and delivery routes. They are now also distributing masks and some warm clothing. There is a Tithe.ly link on the Welcome Bread Facebook page at <https://www.facebook.com/WelcomeBread/> for donations that will be used for gas money, emergency needs and if there is enough a delivery truck.

To the right is a picture of the warm clothing donations recently received from Advent Lutheran in Harleysville

- Please contact Jelly Czar Lou to let him know how many sandwiches you made.

Rice Bowl Project Begins Sunday, February 21st

What is the Rice Bowl? During each Sunday in Lent a special offering is observed for the Rice Bowl. These gifts provide food for many in our neighborhood as well as around the world. **In your offering envelope box, special envelopes are provided for each of the six Sundays in Lent.**

Our gifts will be shared with three organizations. The first is the **Hatfield Food Cupboard** at Emmanuel Evangelical Congregational Church which provides food to those in need in the Hatfield area. The second organization is **Manna on Main Street** in Lansdale which provides food and hot meals for those in the Lansdale area. Finally, we will share a portion of our gifts with the Evangelical Lutheran Church in America **World Hunger Project**.

It is our hope that you will consider giving your extra gifts by simplifying your life in some way or by making an intentional effort to put others before your needs and wants. The **Rice Bowl** allows small gifts to come together to make a big difference in the lives of those in need. The *Giving in Service Team* encourages you to share part of your grocery budget by serving one simple meal a week and give that savings to the **Rice Bowl**.

The **Hatfield Food Cupboard** provides food to people in the Hatfield who are in need of food. Shoppers at the Food Cupboard may pick out the foods they need for their family. Our church members donate food to the Hatfield Food Cupboard continually throughout the year.

Manna provides meals for the homeless and those in need. They provide a free 12-week training program in culinary, life and work skills helping individuals regain economic stability. As of 2/3/20, Manna began providing meals for Montco SAAC's daily group meals and Meals On Wheels programs in Norristown, Glenside and Ambler. Manna is receiving support from Generations of Indian Valley--provider of Meals on Wheels to Indian Valley and North Penn regions. Through this contract, Manna is serving meals to over 600 Montgomery County seniors. Manna also follows COVID protocols. These updates are listed on their website.

Through World Hunger your gifts can help people in need around the globe. **ELCA World Hunger** is uniquely positioned to reach communities in need. From health clinics to microloans, water wells to animal husbandry, community meals to advocacy, your gifts to ELCA World Hunger make it possible for the ELCA to respond, supporting sustainable solutions that get at the root causes of hunger and poverty.
