Stepping Stones would like to express our sincerest thanks to Pastor Peterman for her partnership and Spiritual guidance through her time at Grace Lutheran. She will be sincerely missed and we feel incredibly blessed for her time with us.

Jessica Moran

Last week we wished an emotional farewell to our Interim Pastor Janet Peterman. Pastor Peterman will be in our hearts forever as Grace moves onto another chapter in its history. Thank you again Pastor for all you have done for us. Godspeed!

Dear Grace Family,  
What a wonderful day Sunday was, from start to finish – with so many able to be present in worship, even as others had to be away; with the joy of wondrous music from choir, soloists, Kevin and Harold; with CAKE, at last, finally breaking one part of our quarantining – soon there will be other ways Grace moves on to the next phase of ministry.

I am savoring your kind words, the amazing array of gifts, and just beginning to open your cards. I am still taking in Dan Walters' handmade cross, the Stepping Stones' Committee's bench – you astound me! I am so grateful for the love and the work that we shared. My community garden's leadership is also astounded by your generosity! We're rebuilding our planting beds this season. We plan to use the gift for materials. When they are completed, I'll send a picture. By then, things should be well underway with your fall program and the things we worked so hard on together. I'll be praying for your strength, and for your courage to take on things, even when you know that half of them may not work!

God's richest blessings and my heartfelt thanks.  
Yours in Christ,  
Pastor Janet S Peterman  
Interim Pastor

Pastoral care need between now and July 5th when Pastor Nancy Raabe begins her work is our neighbor, Pastor John Heidgerd of Emmanuel Lutheran Church in Souderton who has agreed to be available to cover those needs. To reach him, call the church office during regular hours, M-Th, 9-noon, 215-855-4676, or contact Council member Joyce Salter.

If you know of a need that is less urgent, you might touch base with a member of INreach to have a member of that team reach out with a friendly phone call, or, if appropriate a visit or a meal. Crystal Tula is Chair of INreach.
