What We Do

The development, growth and nurturing of children in a safe environment is the highest priority of Stepping Stones Nursery School and Daycare.

We seek to provide an environment based on Christian values in which children can develop, learn and explore, welcome the gift of diversity, and achieve solid, foundational steps for their future success.

Your child will:

- Develop age-appropriate social and emotional skills
- Enjoy small, personalized classroom sizes
- Participate in daily age-appropriate science, math, creative arts, and literacy activities
- Enjoy weekly Chapel services provided on-site by Grace Lutheran Church
- Engage in field trips like the pumpkin patch and special presentations such as magicians, fire trucks, and guest authors

Who We Are

Stepping Stones is a community outreach program of the Grace Evangelical Lutheran Church of Hatfield, PA. It started in 1970 as a nursery school and expanded to include a number of programs over the years. These programs are open to members of the congregation, Hatfield and surrounding communities, regardless of sex, race, color, religion or national origin.

Our Staff

Our caring and qualified staff are all certified in Pediatric CPR and First Aid. Teachers participate in annual enrichment trainings and meet all clearance requirements of the Department of Human Services.
