## About Our Tiny Turtles

Our Tiny Turtles start from ages **12 months to 23 months!**

Your Child will:

- Enjoy a program that promotes social, emotional, physical, and language development
- Explore educational materials in a “learn-through-play” setting that encourages children to gain an understanding of the world around them
- Participate in individualized and group activities
- Learn Bible verses monthly, practice saying grace at meals, and participate in weekly school-wide chapel
- Practice how to use a cup, using utensils, and other life skills!

## A Look Inside Our Rooms!

Our classrooms provide a variety of developmentally appropriate, hands-on materials that are always accessible to the children. Each center is designed to allow children to work at their own pace as they learn life-essential skills through play. We encourage you to stop in and read your child’s weekly lesson plan and talk with your child each day about activities they were involved in and what your child is learning each day.

Our spacious playgrounds allow for a variety of play options for our Tiny Turtles including dramatic play, sand play, slides, and more!

# What's Next?

*Let's talk Busy Bee's!*

Once your child is age 2 they are ready to join our Busy Bees, ages 2-3. The Bee's Class promotes further independence, cooperation, and mutual respect, and beginning skills such as potty training, short story time, letter and number recognition, and more!
