Sunscreen Authorization

In order to protect my child from sunburn, I will apply sunscreen on my child as needed before they arrive at Stepping Stones.

We highly suggest that you purchase a sunscreen with a high SPF factor. The sunscreen must be properly labeled with your child's name. Please use a permanent marker or labeled tape. The labeled sunscreen (listed below) must be given to your child's teacher.

I give my permission to allow any Stepping Stones Nursery School and Day Care staff member to re-apply sunscreen for afternoon play to my child.

Child's Name

Brand of sunscreen

Parent Name

Signature of parent
